Mr. Szabo,

The FRWA meter test results recommend that the master flow meter for Alturas be repaired or replaced. If you intend to repair or replace the meter, and would like those cost considered in this rate case, please provide an invoice showing that the work has been completed or bids for the work to be completed no later than October 5, 2015.

Thank you Mr. Szabo.

Did FRWA give you a report as well? FRWA will typically do a full report which is several pages. Could you also please send me the report when you receive it?

I hope you had a nice weekend as well.

Thanks,
Kelley
