First I'm sorry but I'll be unable to attend the September 24th meeting concerning the application for increase in wastewater rates in Charlotte County by Utilities, Inc. of Sandalhaven. Docket #150102-SU.

I am very concerned about their proposed rate increase which will more than double my monthly sewer charge. It looks like it will cause an \$86.58 monthly increase in my charges and this is a hardship. Our unit at Cape Haze Resort, is modest and my neighbors and I are average working and retired persons, not of great financial means.

Please deny or substantially reduce this increase. I'm sure that if this increase goes into effect as proposed it would not only cause Cape Haze Resort residents a hardship but would also effect

area businesses because of less funds available for purchases. Thank you for consideration.
