Subject: Docket #150102`SU (Sewer Rate Increase)

Ladies and Gentlemen of the FPSC,

I am a condo owner in Cape Haze Resort, Placida/Cape Haze, Florida for 8 years, and a resident of the state of Florida. I am aware that Utilities, Inc. of Sandalhaven wants to **MORE THAN DOUBLE** our wastewater rates this year. This is unfair and unnecessary; in fact it is an outrage!

There will soon be new residents in our Placida/Cape Haze area, with new construction immediately north of Cape Haze Resort. I suspect you are attempting to raise our rates prior to the completion of the new construction in order to collect higher rates from new residents as well as those of us who currently own property there.

I am in agreement with the Cape Haze Resort Homeowners' Association that **this or any rate increase should NOT be implemented** for the fair and just treatment of the residents.

Sincerely,

Mary Ahlrich-Knueven
