

**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION**

In re: Energy Conservation Cost Recovery  
Clause

Docket No. 150002-EI  
Filed: October 14, 2015

**FLORIDA POWER & LIGHT COMPANY'S  
NOTICE OF WITNESSES' SUBJECT MATTER EXPERTISE**

Florida Power & Light Company ("FPL") hereby files this Notice of Expert Subject Matter Designations in response the objection set forth in Section G of the Florida Industrial Power Users Group's ("FIPUG") prehearing statement filed October 9, 2015. FIPUG lodges an objection to the experts' qualifications "unless the witness in question affirmatively states the subject matter area(s) in which he or she claims expertise." FPL believes that its prehearing statement and the prefiled testimony of each FPL witness provides adequate notice of each witness's area of expertise. Nonetheless, as further clarification, FPL proffers this notice as an affirmative statement of the subject matter of its witnesses' expertise for the purpose of this proceeding. FPL's witnesses are prepared to confirm the statements of expertise in this notice when they take the stand.

1. Terry J. Keith is qualified as an expert through his knowledge, skill, education, training and experience. Mr. Keith will testify as an expert on the subject matters of Issue Nos. 1, 3 and 4: regulatory treatment for the historical and projected costs of Commission-approved energy conservation programs; calculations associated with the energy conservation cost recovery factors; and the tariff approval process.

2. Anita Sharma is qualified as an expert through her knowledge, skill, education, training and experience. Ms. Sharma will testify as an expert on the subject matter of Issue No. 2: projections and calculations associated with Commission-approved energy conservation programs.

Respectfully submitted this 14th day of October 2015.
