RE: Docket # 150102-SU

Ref: Utilities, Inc. of Sandalhaven
Application for increase in wastewater rates

From: William J. Oakley (Customer)
3383 RAIN LILY LN
ENGLEWOOD, FL 34224

October 24, 2015

Dear Commissioners:

I am opposed to the utilities, inc. requested rate increase.
The utility is requesting an increase of 139%.
This would severely impact my fixed retirement income and
cause financial hardship for my family and my neighbors.

I appreciate and value the services of our utility companies both personally and
communally. However, exorbitant utility costs will diminish the value and resale
prospects of the investment in our homes.

With fiscal caution, I could support a rate increase of up to 54%.

Base facility charge: \$45.00 / month
Charge per 1,000 gal.: \$10.00 / month

Let's forget the "cents" ...it will be easier to understand the billing.

Sincerely,

William J. Oakley
