Florida Power & Light Company

**Re: Docket 150085-EG - Petition for approval of Florida Power & Light Company's demand-side management plan and request to cancel closed on call tariff sheets.**

Dear Ms. Cano:

On August 19, 2015, the Commission issued Order No. PSC-15-0331-PAA-EG, approving the Demand-Side Management (DSM) Plan for Florida Power & Light Company (FPL). FPL filed program standards on September 24, 2015.

Commission staff has reviewed FPL's filings and believes the DSM Plan program participation standards are consistent with the DSM Plan approved by the Commission. Regarding the FPL Business Custom Incentive Program, staff encourages FPL to provide customers with information regarding what measures are eligible or ineligible for consideration, so as to reduce administrative costs associated with the program's implementation. Staff requests that FPL notify the Commission prior to any changes being made to the program standards as filed.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Ballinger".
