Re: Docket No. 150196-EI

REDACTED

Dear Ms. Stauffer:

I enclosed for filing, in the above docket, FPL's Request for Confidential Classification of Certain Information Provided in Response to Environmental Confederation of Southwest Florida's First Set of Interrogatories (Nos. 10, 11, 12 and 13).

Exhibit A consists of the confidential documents, and all the information that FPL asserts is entitled to confidential treatment has been highlighted. Exhibit B is an edited version of Exhibit A, in which the information FPL asserts is confidential has been redacted. Exhibit C is a justification table in support of FPL's Request for Confidential Classification. Exhibit D contains the affidavit in support of FPL's Request for Confidential Classification.

Please contact me if you or your Staff has any questions regarding this filing.

Sincerely,

William P. Cox
 Senior Attorney

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for determination of need for
Okeechobee Clean Energy Center Unit 1, by
Florida Power & Light Company.

Docket No: 150196-EI
Date: November 16, 2015

**FLORIDA POWER & LIGHT COMPANY'S REQUEST FOR
CONFIDENTIAL CLASSIFICATION OF INFORMATION PROVIDED IN
RESPONSE TO THE ENVIRONMENTAL CONFEDERATION OF SOUTHWEST
FLORIDA'S FIRST SET OF INTERROGAORIES (NOS. 1-21) AND
FIRST REQUEST FOR PRODUCTION OF DOCUMENTS (NOS. 1-9)**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests confidential classification of certain information provided in response to the Environmental Confederation of Southwest Florida's ("ECOSWF") First Set of Interrogatories (Nos. 1-21) and First Request for Production of Documents (Nos. 1-9) ("Confidential Discovery Responses"). In support of its Request, FPL states as follows:

1. On October 27, 2015, ECOSWF served its First Set of Interrogatories (Nos. 1-21) and First Request for Production of Documents (Nos. 1-9) on FPL. FPL's Response to ECOSWF's First Set of Interrogatories (Nos. 10, 11, 12 and 13) contain information of a confidential nature, which is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes.

2. FPL served its responses to ECOSWF's First Set of Interrogatories (Nos. 1-21) and First Request for Production of Documents (Nos. 1-9) on November 16, 2015. This request is being filed contemporaneously with the service of the responses to ECOSWF's discovery in order to request confidential classification of the Confidential Discovery Responses consistent with Rule 25-22.006, Florida Administrative Code.

3. The following exhibits are included with and made a part of this request:

a. Exhibit A consists of a copy of the Confidential Discovery Responses on which all information that FPL asserts is entitled to confidential treatment is highlighted.

b. Exhibit B consists of an edited version of the Confidential Discovery Responses on which all information that FPL asserts is entitled to confidential treatment is redacted. For the documents that are confidential in their entirety, FPL has included only identifying cover pages in Exhibit B.

c. Exhibit C is a table containing an identification of the information highlighted in Exhibit A by page and line and a brief description of the Confidential Information. Exhibit C also references the specific statutory bases for the claim of confidentiality and identifies the affiant who supports of the requested classification.

d. Exhibit D is the affidavit of Roxane R. Kennedy, Vice President, Power Generation Operations.

4. FPL submits that the highlighted information in Exhibit A is proprietary confidential business information within the meaning of Section 366.093(3), Florida Statutes. This information is intended to be and is treated by FPL as private, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and is exempt from the disclosure provisions of the public records law. Thus, once the Commission determined that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the hard of disclosure against the public interest in access to the information.

5. As more fully described in Exhibit C and the affidavit included in Exhibit D, the Confidential Discovery Responses provided by FPL contains information related competitive

interests, the disclosure of which would impair the competitive business of FPL or its suppliers. This information is protected by Section 366.093(3)(e), Fla. Stat.

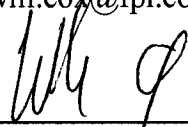

6. Upon a finding by the Commission that the Confidential Discovery Responses remains proprietary and confidential business information, the information should not be declassified for at least an additional eighteen (18) month period and should be returned to FPL as soon as it is no longer necessary for the Commission to conduct its business. See § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as more fully set forth in the supporting materials and affidavit included herewith, Florida Power & Light Company respectfully requests that its Request for Confidential Classification be granted.

Respectfully submitted,

William P. Cox

Notes	
1	HOT startup time is the minutes to start the unit up from off-line to max generating capacity when the off-line time has been between the criteria identified as the "Time off-line for HOT Start-up"
2	WARM startup time is the minutes to start the unit up from off-line to max generating capacity when the off-line time has been between the criteria identified as the "Time off-line for WARM Start-up"
3	COLD startup time is the minutes to start the unit up from off-line to max generating capacity when the off-line time has been between the criteria identified as the "Time off-line for COLD Start-up"
4	Max generating capacity is consistent with the summer off-control capability rating for the unit on 100% gas fuel.
5	Lauderdale GT time from startup to max generating capacity is the same for each of the 24 GTs. Port Everglades GT time from startup to max generating capacity is the same for each of the 12 GTs.

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for determination of need for
Okeechobee Clean Energy Center Unit 1, by
Florida Power & Light Company.

Docket No. 150196-EI

STATE OF FLORIDA)
)
COUNTY OF PALM BEACH)

AFFIDAVIT OF ROXANE R. KENNEDY

BEFORE ME, the undersigned authority, personally appeared Roxane R. Kennedy, who, being first duly sworn, deposes and says:

1. My name is Roxane R. Kennedy. I am currently employed by Florida Power & Light Company ("FPL") as Vice President of Power Generation Operations. My business address is 700 Universe Blvd., Juno Beach, Florida 33408. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents that are included in Exhibit A in response to the Environmental Confederation of Southwest Florida's ("ECOSWF") First Set of Interrogatories (Nos. 1-21) and First Request for Production of Documents (Nos. 1-9) ("Confidential Discovery Responses"), for which I am listed as the affiant on Exhibit C. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information constitute information relating to competitive interests, the disclosure of which would impair FPL's competitive business. Specifically, the information contains or constitutes information related to planned overhaul schedules, power plant performance, and forced outages. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

Roxane R. Kennedy

SWORN TO AND SUBSCRIBED before me this 12th day of November, 2015, by Roxane R. Kennedy, who is personally known to me or who has produced _____ (type of identification) as identification and who did take an oath.

Notary Public, State of Florida

My Commission Expires:
