Dorothy, Please see in the e-mail below from Don Rome the additional affected parties and their information for Docket No. 150241-PU. The company codes are GU602 for FL City Gas; GU610 for St. Joe Natural Gas; and GU617 for Sebring Gas System. Please call or e-mail me should you have any questions, or need additional information. Thanks, Pam.

I would recommend using whatever is in the Master Commission Directory (MCD). Since they "improved" it, I no longer know how to get into the MCD. If someone up there knows how to do it, that is where one should try first because it also includes the company codes.

However in the event that doesn't work, here are key contacts and their information for each company (which may or may not match the MCD):

(1) Florida City Gas: Carolyn Bermudez – 955 East 25<sup>th</sup> Street, Hialeah, FL 33013. (305)835-3606. [cbermude@aglresources.com](mailto:cbermude@aglresources.com)

(2) St. Joe Natural Gas Company: Stuart Shoaf – 301 Long Avenue, Port St. Joe, FL 32456. (850)229-8216. [sshoaf@stjoenaturalgas.com](mailto:sshoaf@stjoenaturalgas.com)

(3) Sebring Gas System: Jerry Melendy – 3515 US Highway 27 South, Sebring, FL 33870-5452. (863)385-0194. [jmelendy@floridasbestgas.com](mailto:jmelendy@floridasbestgas.com)

Hope this is helpful. Thanks,  
DR

Thank you. Yes, I would need a contact name for each company and the address for the contact (if you have it). Appreciate it, Pam.

**Subject:** Docket No. 150241-PU: Additional Affected Parties

Good morning, Pam. Thanks for opening the docket for the Chapter 366 rulemaking effort. As soon as I have an opportunity, I will place the utility data request responses in the docket file. However, in looking at the docket establishment form, it appears that some additional parties may have been omitted. These parties are:

- (1) Florida City Gas
- (2) St. Joe Natural Gas Company
- (3) Sebring Gas System

I would suggest that these entities also be included as the statutory changes and the associated changes to Commission rules also apply to them. I believe the master commission directory information would probably be correct for them. Let me know if you need a contact name for each company or any other information. Thanks for your help,

Don Rome, Public Utility Analyst
