**RE:** Docket 150210-EI - Petition for depreciation class and rate for electric vehicle charging infrastructure, by Gulf Power Company.

---

On September 28, 2015, Gulf Power Company (Gulf) filed its Petition for Depreciation Class and Rate for Electric Vehicle Charging Infrastructure. On January 19, 2015, Gulf filed a formal withdrawal of its Petition (Document No. 00306-16).

Pursuant to Section 2.07-2 of the Commission's Administrative Procedures Manual, the Office of Commission Clerk may administratively close docket under certain circumstances. Specifically, as in the instant docket, when the petitioner seeks to withdraw its initial pleading and staff has determined that there are no pending issues that need to be addressed by the Commission regarding the filing and no request for refund of filing fee has been made, the Clerk may administratively close a docket.

Staff requests that Docket 150210-EI be administratively closed. Thank you for your assistance in this matter.
