RE: Docket No. 150235-WS: Joint Application for Acknowledgement of Corporate Reorganization and Approval of Name Changes for Cypress Lakes Utilities, Inc., Utilities, Inc. of Eagle Ridge, Utilities, Inc. of Florida, Labrador Utilities, Inc., Lake Placid Utilities, Inc., Lake Utility Services, Inc., Utilities, Inc. of Longwood, Mid-County Services, Inc., Utilities, Inc. of Pennbrooke, Utilities, Inc. of Sandalhaven, Sanlando Utilities Corporation, and Tierra Verde Utilities, Inc.

On November 2, 2015, Cypress Lake Utilities, Inc., Utilities, Inc. of Eagle Ridge, Utilities, Inc. of Florida, Labrador Utilities, Inc., Lake Placid Utilities, Inc., Lake Utility Services, Inc., Utilities, Inc. of Longwood, Mid-County Services, Inc., Utilities, Inc. of Pennbrooke, Utilities, Inc. of Sandalhaven, Sanlando Utilities Corporation, and Tierra Verde Utilities, Inc. (the applicants) filed a joint application for acknowledgement of corporate reorganization and approval of name change.

On December 1, 2015, the Office of Public Counsel (OPC) filed a notice of intervention. OPC and the applicants have agreed that OPC will not seek further proceedings under the Joint Application subsequent to any order issued acknowledging and granting the matters contained therein so long as any order disposing of the Joint Application neither makes nor authorizes any material, substantive changes (beyond the name changes, cancellation and amendment/consolidation sought by the company and the miscellaneous charge and service availability policy simplification changes proposed by staff) to the tariffs, pre-Joint Application governing orders, commitments or other obligations of service of each of the individual utilities affected by the actions sought by the Joint Application. The OPC reserves all of its rights to challenge in subsequent proceedings outside of this docket any material, substantive changes in service obligations of the surviving utilities to the extent they were not as contemplated under this paragraph.

This Order neither makes nor authorizes any changes to prior governing orders, commitments or other obligations of service of each of the individual utilities affected by the actions sought by applicants in this docket. No material change to the tariffs will be made under this Order other than to reflect the applicants' reorganization and name change.

The applicants are all wholly-owned subsidiaries of Utilities, Inc. The mailing address for all the applicants is 200 Weathersfield Avenue, Altamonte Springs, FL 32714-4099. The applicants were merged into Utilities Inc. of Florida. On December 2, 2015, Articles of Merger were recorded with the Florida Department of State, Division of Corporations. The merger became effective as of January 1, 2016. The application contains an affidavit by an officer of the applicants affirming that ownership and control of the applicants will not change as a result of the reorganization. The officers and directors of the applicants will remain the same after the reorganization, as will the management operations, customer service, mailing address, and telephone numbers of each applicant.

Prior to the reorganization and name change, the applicants' full name, certificate number(s), and county(ies) of operation were as follows:

The application contained a proposed customer notice reflecting the name change. Utilities Inc. of Florida shall give a copy of the customer notice to all existing customers on the first billing cycle after the date of this Order approving the name change. In order to conform to our model tariff and streamline the new consolidated tariff, staff advised the applicants that it would prepare the consolidated tariff for the utility. The revised tariffs shall be effective for services rendered or connections made on or after the stamped approval date on the tariff sheets pursuant to Rule 25-30.475, Florida Administrative Code (F.A.C.).

Attachment A shows the applicants' organizational structure before the reorganization and Attachment B shows the applicants' organizational structure after the reorganization. Attachment C contains the certificates affected by the reorganization and name change. The resultant order should serve as the Utilities, Inc. of Florida amended certificates and, as such, the order should be retained by the utility.

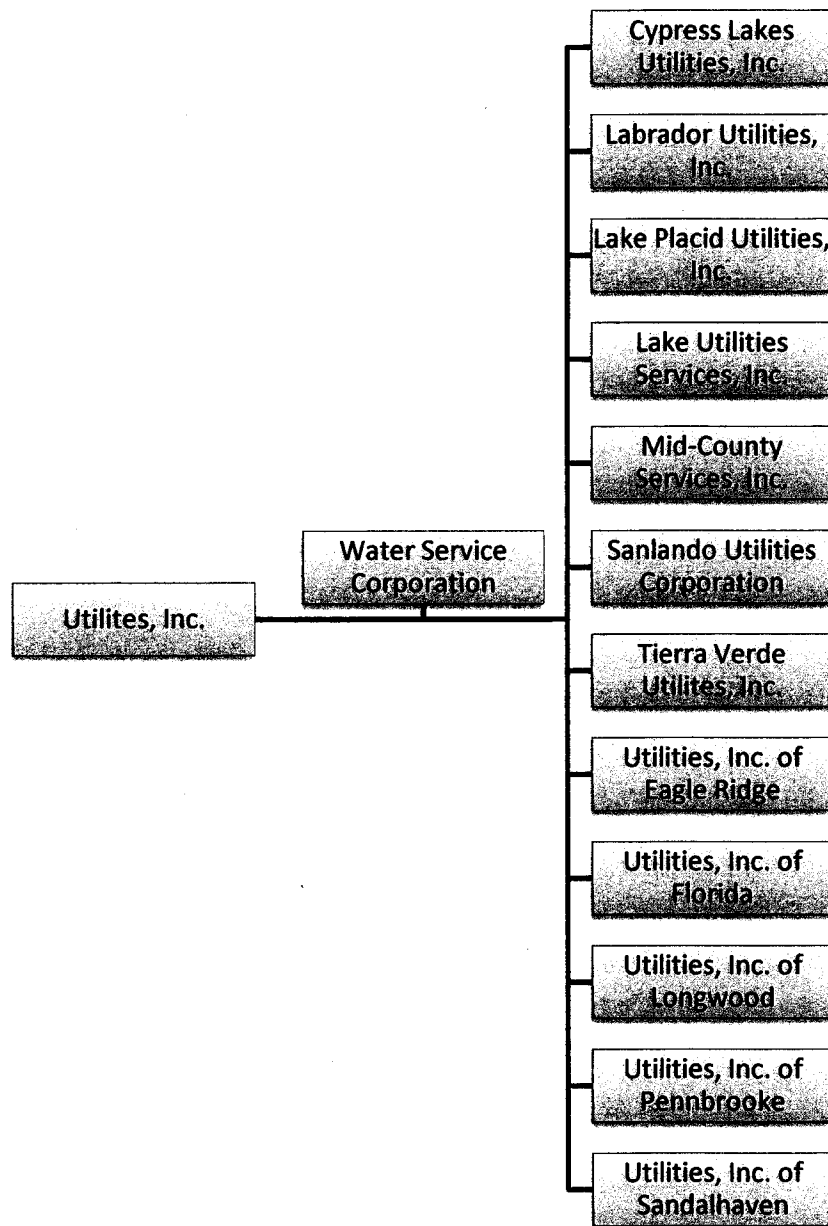

Conclusion

Section 2.07(C)(2)(a) of the Administrative Procedures Manual grants the Director of the Office of Commission Clerk, in coordination with the appropriate industry division and the Office of the General Counsel, authority to approve changes of names and corporate reorganizations of regulated utilities, where no change of ownership or control or transfer of assets is involved. The application provides sufficient documentation that neither ownership nor control or transfer of assets is involved. Therefore, the applicants' corporate reorganization shall be acknowledged and request for name change shall be approved effective the date of this Order. Utilities, Inc. of Florida shall notify the Commission of any future name changes, whether corporate or fictitious. The applicants' approved notice of name change shall be sent to all existing customers with the next regular billing after this Order is issued. The revised tariffs shall be effective for services rendered or connections made on or after the stamped approval date on the tariff sheets pursuant to Rule 25-30.475, F.A.C. The acknowledgement of the utilities' name change has no impact on the exiting approved rates and charges or terms of prior orders. The resultant order should serve as the Utilities, Inc. of Florida amended certificates and, as such, it shall be retained by the utility. Finally, upon issuance of the order, this docket should be closed.
