RE: Docket No. 160029-GU: Petition by Peoples Gas System for approval of special contract with United Parcel Service, Inc.

Request for Confidential Classification for Document No. 01159-16

On March 3, 2016, Peoples Gas System (Peoples) filed a request for confidential classification for Document No. 01159-16 in Docket No. 160029-GU. This document relates to Peoples responses to Staff's First Data Request. The information in the document for which Peoples seeks confidential treatment is specifically related to responses to data request questions 1, 2, 6 and 7. These responses include information related to cost of construction and hourly operation and maintenance costs from which the service rates could be arithmetically determined and could be used by others to gain unfair competitive advantage in the market and hamper Peoples' efforts to contract for goods and services on favorable terms. Staff has reviewed the document and concurs with Peoples that the nature of the information meets the requirements set forth in Sections 366.093(3)(d) and (e), Florida Statutes, whereby disclosure of the information would harm the competitive business operations of Peoples.

Therefore, staff recommends that the request by Peoples for confidential classification of Document No. 01159-16 be approved.
