Re: Application to Provide Telecommunications Company Service Within the State of Florida

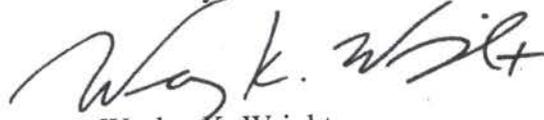

Dear Sir/Madam:

Airbus DS Communications, Inc. (Airbus) hereby files with the Florida Public Service Commission (Commission) this Application to Provide Telecommunications Company Service Within the State of Florida. Airbus seeks certification as a Competitive Local Exchange Carrier (CLEC) and Interexchange Carrier (IXC). Enclosed you will find one (1) original and two (2) copies of the Application and a check for the \$500.00 application fee.

Airbus intends to offer 9-1-1 emergency services to government and quasi-government Public Safety Answering Points (PSAPS) and may also provide other local exchange telecommunications services and interexchange telecommunications services including, but not limited to, business resold and facilities-based local, interexchange, bundled interexchange, and wholesale or carrier-to-carrier Next Generation 9-1-1 Services, including bundles of data, voice, and/or wireless services in support of Next Generation 9-1-1 service. Airbus will not offer residential telecommunications services.

Airbus requests confidential treatment of all financial information included in Exhibit D. Please date-stamp one enclosed copy of this Application and return in the envelope provided. Should you or anyone else at the Commission have any questions regarding this filing, please do not hesitate to contact me at (202) 434-4239.

Sincerely,
