**Subject:** Positively Consider FPL re-mapping for entire town of Indian River Shores

Ladies and gentlemen.

- Another data point;
- “Yes” for FPL as a power vendor for all of Indian River Shores;
- Re-draw the service boundaries;
- Unregulated monopolies, like VB power, are un-American;
- None of us wish to condone an unregulated public monopoly;
- Positively consider relief from clear price gouging and inferior service.

Sincerely. H. Patrick Hackett, Jr.  
Johns Island Resident.
