Subject: FPL Should Serve All Indian River Shores

Commissioner Brown:

As a resident of the Town of Indian River Shores, I support and have a direct interest in the outcome of the Town's Petition for modification of the territorial order (Docket Number 160049). I understand that I can request to be added to the official docket mailing list to receive notices of all hearing, workshops or meetings related to this case. Please note that we residents who are forced to buy our electricity from the City of Vero Beach have been victimized by the City of Vero Beach through inordinate and unexplainable electric rates for years and seek redress of this strong arm tactic by the City and its governing bodies.

I formally request that you add me to this mailing list. I can be reached at:
