Subject: Indian River Shores Township request for FPL utility service

Dear Chairman Brown:

I previously lived in a portion of Vero Beach served by FPL. When we moved to Indian River Shores, a short distance away, we were outraged that the Vero Beach Municipal power company would charge us about 25% more than FPL. We have no say in how this monopoly spends their profits and therefore are paying such a non competitive rate.

Please allow FPL regulated by your body be our electrical provider.
Thank you for your fair evaluation of the special circumstances of this case.
