<p>Built a new home in Cross Creek @            Summer Tree 13 years ago. Moved from            Indiana where we never even had to think            about water quality. 13 years of buying            bottled water, improving my softener,            and filtering systems and my water            is not fit to drink. GET RID OF            Utilities Inc.</p>
