**Subject:** CHANGE INDIAN RIVER SHORES ELECTRIC TO FPL

As residents of Indian River Shores, we are very concerned with the unnecessary high costs of our electric service. We are paying in excess of 30% more for Vero Beach Electric Power compared to rates offered by FPL. Vero Beach Utilities does not offer conservation plans or discounts on new appliances as offered by FPL, and we as homeowners do not now have representation regarding these concerns.

Our electric bill is a big part of our monthly household budget. An extra 30% is a lot of money to us. Please help us lower our costs and let us switch to FPL.

Thank you,

Francesca and Bradley Anderson
