CONSUMER COMMENTS
Bought house in 2000
Rep from Utilities Inc came because of
decreased water pressure - states meets standard.
Mentioned Smell Water, more so in hot than
cold. "Can't fix smell in hot water only cold"
Does this both come from same supply?
Installed water softener which helped.
Now since Oct 2015 the quality of water
has gotten worse - canode hard can not
come ahead - water darker in color from faucets
No increases & swift to Pasco Utilities Please
