RE: Cost Justification for Late Payment Charge
Docket No. 150235-WS

Dear Ms. Hudson,

Per your request, I am providing the cost justification for UIF's late payment charge. The late payment charge is \$8.52 and was calculated by using the same methodology used in Docket No. 070377. Although the cost justification is \$8.52, we request that UIF's current late payment charge of \$5.25 be applied to all of UIF's systems. Currently the only systems that the late payment charge is applied to is Lake Placid and Cypress Lakes. The \$8.52 late payment charge will be addressed in UIF's consolidated rate case later this year.

Additionally, we would also request a NSF charge pursuant to Florida Statute 832.08(5) also be applied to all of UIF's systems.

If you require additional information, please feel free to contact me via email at jdeason@uiwater.com or (321) 972-0328 ext. 1328.

Sincerely,

/s/ Jared Deason
