RE: Docket 160060 – Complaint and Petition of the City of Cape Coral for an Investigation into the Rate Structure of Lee County Electric Cooperative, Inc.

Dear Ms. Stauffer:

I am a customer of the Lee County Electric Cooperative, Inc. The issues in the above-referenced docket are of interest to me by potentially changing the rate structure used by LCEC to eliminate existing subsidies that inhabitants and businesses in the City are paying in the current rates being charged by LCEC.

Therefore, I respectfully request to be added to the interested parties list for this docket in order to receive all filings and other correspondence. Any pleadings, motions, notices, orders, or other documents can be sent to:
