Recovery Clause)

Docket No. 160009-EI
Filed: May 2, 2016

**FLORIDA POWER & LIGHT COMPANY'S
FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION
OF SUPPLEMENTAL JONES TESTIMONY AND EXHIBIT TOJ-28**

Pursuant to Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company ("FPL") requests continued confidential classification of information contained in the supplemental testimony of Terry Jones and Exhibit TOJ-28, filed in docket No. 120009-EI. In support of its request, FPL states as follows:

1. On August 20, 2012, in Docket No. 120009-EI, FPL filed a Request for Confidential Classification of supplemental testimony provided by FPL witness Terry Jones and Exhibit TOJ-28 (confidential document no. 05718-12). FPL's request was granted by Order No. PSC-14-0634-CFO-EI, issued October 31, 2014. The period of confidential treatment granted by Order No. PSC-14-0634-CFO-EI will soon expire. FPL has reviewed the confidential documents and determined that all the information that was the subject of Order No. PSC-14-0634-CFO-EI warrants continued treatment as proprietary and confidential business information within the meaning of Section 366.093(3), Florida Statutes. Accordingly, FPL hereby submits its First Request for Extension of Confidential Classification. Exhibits A and B from FPL's August 20, 2012 filing are incorporated herein by reference. Included herewith are Revised Exhibit C and Revised Exhibit D.

2. Revised Exhibit C is a table containing the specific line, column and page references to the confidential information, and references to the specific statutory basis or bases for the claim of confidentiality and to the affidavit in support of the continued confidential

classification. Revised Exhibit D includes the affidavits of Stephanie Castaneda and Antonio Maceo in support of FPL's request.

3. The information that was granted confidential treatment by Order No. PSC-14-0634-CFO-EI continues to be confidential business information within the meaning of Section 366.093(3), Florida Statutes. This information is intended to be and is treated by FPL as private in that the disclosure of the information would cause harm to customers or FPL's business operations, and its confidentiality has been maintained. Pursuant to Section 366.093, such information is entitled to confidential treatment and it is exempt from the disclosure provisions of the public records law. Thus, once the Commission determines that the information in question is proprietary confidential business information, the Commission is not required to engage in any further analysis or review such as weighing the harm of disclosure against the public interest in access to the information.

4. As supported by the affidavits provided in Revised Exhibit D, the testimony contains information related to reports of internal auditors. This information is protected from public disclosure by Section 366.093(3)(b), Florida Statutes. Exhibit TOJ-28 contains information related to contractual data, such as pricing and other terms, the public disclosure of which would violate nondisclosure provisions of FPL's contract with its vendor and impair FPL's ability to contract for goods or services on favorable terms in the future. Such information is protected from public disclosure by Section 366.093(3)(d), Florida Statutes. This information is also competitively sensitive and, if disclosed, could impair the competitive interests of the provider of the information. Such information is protected from public disclosure by Section 366.093(3)(e), Florida Statutes.

5. Nothing has changed since the issuance of Order No. PSC-14-0634-CFO-EI to render the confidential information stale or public, such that continued confidential treatment would not be appropriate. Accordingly, FPL requests that confidential treatment be extended for a period of not less than an additional 18 months.

6. Upon a finding by the Commission that the information referenced in Revised Exhibit C continues to be proprietary confidential business information, the information should not be declassified for a period of at least an additional 18 months and should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business. *See* § 366.093(4), Fla. Stat.

WHEREFORE, for the above and foregoing reasons, as supported by the materials and affidavits included herewith, Florida Power & Light Company respectfully requests that its First Request for Extension of Confidential Classification be granted.

Respectfully submitted,

Jessica A. Cano

REVISED EXHIBIT D

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Nuclear Cost)
Recovery Clause)

DOCKET NO. 160009-EI

STATE OF FLORIDA)
)
MIAMI-DADE COUNTY)

AFFIDAVIT OF ANTONIO MACEO

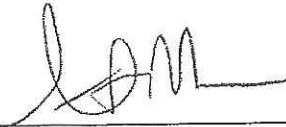

BEFORE ME, the undersigned authority, personally appeared Antonio Maceo who, being first duly sworn, deposes and says:

1. My name is Antonio Maceo. I am currently employed by Florida Power & Light Company ("FPL") as Manager of Auditing. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Revised Exhibit C and the documents that are included in FPL's First Request for Extension of Confidential Classification of Supplemental Jones Testimony and Exhibit TOJ-28, for which I am identified on Revised Exhibit C as the affiant. The documents or materials that I have reviewed contain information related to reports of internal auditors. Full and frank disclosure of information to the Internal Auditing department is essential for the department to fulfill its role, and the confidential status of internal auditing process, findings, and reports supports such disclosure. The release of information related to reports of internal auditors would be harmful to FPL and its customers because it may affect the effectiveness of the Internal Auditing Department itself. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials

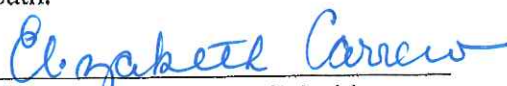

3. No significant changes have occurred since the issuance of Order No. PSC-14-0634-CFO-EI to render the information identified in Revised Exhibit C stale or public such that continued confidential treatment would not be appropriate. Accordingly, this information should continue to be maintained as confidential for an additional period of not less than 18 months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

Antonio Maceo

~~SWORN TO AND SUBSCRIBED~~ before me this 29 day of April 2016, by Antonio Maceo who is personally known to me or who has produced _____ (type of identification) as identification and who did take an oath.

AFFIDAVIT OF STEPHANIE CASTANEDA

BEFORE ME, the undersigned authority, personally appeared Stephanie Castaneda who, being first duly sworn, deposes and says:

1. My name is Stephanie Castaneda. I am currently employed by Florida Power & Light Company ("FPL") as Nuclear Business Operations, Fleet Accounting and Regulatory Compliance. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Revised Exhibit C and the documents that are included in FPL's First Request for Extension of Confidential Classification of Supplemental Jones Testimony and Exhibit TOJ-28, for which I am identified on Revised Exhibit C as the affiant. The documents and materials that I have reviewed contain proprietary confidential business information, including information concerning contractual data. Disclosure of this information would violate FPL's contract with its vendor, work to the detriment of FPL's competitive interests, impair the competitive interests of its vendor and/or impair FPL's efforts to enter into contracts on commercially favorable terms. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

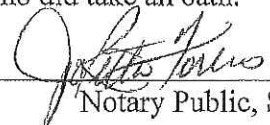

3. No significant changes have occurred since the issuance of Order No. PSC-14-0634-CFO-EI to render the information identified in Revised Exhibit C stale or public such that continued confidential treatment would not be appropriate. Accordingly, this information should continue to be maintained as confidential for an additional period of not less than 18 months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

Stephanie Castaneda
