Hi Kelley,

Per your request, we have added Mr. O'Steen's e-mail address to Neighborhood's contact information in CMS. Looks like that information wasn't provided to CLK on the application that opened the docket.

Let me know if you have any questions or concerns.

Dorothy

Good afternoon Kelley, went to update MCD and see that we already have Mr. O'Steen's email address listed in MCD, but I see that it is not listed in the parties of record in the above docket. Will forward this on to Dorothy, so that she can update that field. Appreciate you letting us know and have a nice afternoon.

Dorothy, for your information so that you can update the party of record for us.
Thanks, Nonnye
