SECOND ORDER REVISION ORDER ESTABLISHING PROCEDURE

On January 1, 2016, Florida Power & Light Company (FPL) filed notification of intent to request a general base rate increase with the Florida Public Service Commission (Commission) opening Docket No. 160021-EI (rate case). FPL filed its Minimum Filing Requirements (MFRs) and testimony in support of its request on March 15, 2016.

Also on March 15, 2016, FPL filed its 2016 Depreciation and Dismantlement Study (Docket No. 160062-EI; depreciation study) and its 2016-2018 Storm Hardening Plan (Docket No. 160061-EI; storm hardening). On April 15, 2016, FPL filed a petition and testimony for a limited proceeding to modify and continue the incentive mechanism associated with the sale of wholesale electric power (Docket No. 160088-EI; incentive mechanism).

Order No. PSC-16-0125-PCO-EI\(^1\), Order Establishing Procedure, was issued on March 25, 2016, which addressed, among other things, discovery procedures, prehearing procedures, and controlling dates for FPL’s rate case, Docket No. 160021-EI.

On April 8, 2016, the Office of Public Counsel (OPC) filed a Motion to Modify Key Activities Dates and Discovery Timeframes in the rate case, Docket No. 160021-EI. On April 22, 2016, Commission staff filed a Motion to Consolidate the rate case, storm hardening, depreciation study, and incentive mechanism dockets (Docket Nos. 160021-EI; 160062-EI, 160061-EI and 160088-EI). No comments, objections, or requests were filed in response to either motion.

\(^1\) Order No. PSC-16-0125-PCO-EI, issued on March 25, 2016, in Docket No. 160021-EI, In re: Petition for rate increase by Florida Power & Light Company.
Order No. PSC-16-0182-PCO-EI, First Order Revising Order Establishing Procedure and Order Granting Motion to Consolidate (Consolidation Order), was issued on May 4, 2016.\(^2\) The Consolidation Order did the following:

1) Granted modified dates for the rate case, Docket No. 160021-EI, as requested by OPC;
2) Granted the request to consolidate the rate case, the depreciation study, the storm hardening, and the incentive mechanism dockets; and
3) Established controlling dates for the three consolidated dockets.\(^3\)

On May 9, 2016, OPC filed a Motion for Reconsideration of the Consolidated Order before the full Commission alleging that an error of law had been made establishing testimony filing dates for the storm hardening and incentive mechanism dockets. A Special Commission Agenda Conference was noticed and held on May 23, 2016. After oral argument and discussion, the Commission voted to deny the Motion for Reconsideration.

On May 25, 2016, OPC filed a Motion for Extension of Testimony Filing Dates Established by Order No. PSC-16-0182-PCO-EI (Motion for Extension). FPL filed a Response on May 26, 2016, opposing the Motion for Extension.

2) Intervenor’s testimony and exhibits June 17, 2016
3) Staff testimony and exhibits, if any June 21, 2016
4) Rebuttal July 8, 2016

Order Nos. PSC-16-0125-PCO-EI and PSC-16-0182-PCO-EI, to the extent not modified by this Order, are hereby reaffirmed in all respects. In addition, all parties remain on notice that

\(^3\) No dates for intervenor, Commission staff, or rebuttal testimony had been requested or established prior to the Consolidation Order.
the Prehearing Officer may exercise the discretion to schedule additional noticed prehearing conferences of the parties as needed.
