Subject: RE: Sunrise - Monthly Reports

Importance: High

Mr. Szabo,

On April 25, 2016, I contacted you to notify you that Sunrise had failed to submit a monthly status report as required by Commission Order NO. PSC-16-0126-PAA-WU. In my correspondence, I reiterated that Sunrise was required by the Commission to file monthly status reports by the 15th of every month regarding the status of several items. I also included a copy of the Commission's Order for your convenience. As of today, Sunrise again has not filed its required status report, which was due May 15, 2016.

Please note that Sunrise's failure to submit the required monthly status reports is a violation of Commission Order NO. PSC-16-0126-PAA-WU. Failing to comply with Commission orders, rules or statutes may result in an enforcement proceeding being opened against the Sunrise. Pursuant to Florida Statute Section 367.161, the Commission may impose a fine of up to \$5,000, per day for each day the violation continues, against any utility that knowingly refuses to comply with, or willfully violates any Statute, Rule or Order, or amend, suspend, or revoke the utility's certificate of authorization.

Therefore, Sunrise must file its required May status report immediately, or no later than 5:00 p.m. on Tuesday, May 31, 2016. Should Sunrise continue to fail to submit its required monthly status reports on time or fail to comply with any other provision of Commission statutes, rules or orders, staff may open an enforcement docket against Sunrise.

Sincerely,
Kelley Corbari
