RE: Docket No. 140217-WU – Application for staff-assisted rate case in Sumter County by Cedar Acres, Inc.

Dear Mr. Simmons:

On June 14, 2016, Cedar Acres, Inc. (Cedar Acres or Utility) submitted a six-month compliance report pursuant to Commission Order No. PSC-15-0535-PAA-WU. Staff reviewed the information submitted by Cedar Acres in the compliance report and noted that the information did not include a billing analysis as required by the Commission's Order.¹ In addition, the Utility has not submitted an escrow report for the meter replacement program as required by the Commission-approved Escrow Agreement. Therefore, Commission staff requests that Cedar Acres please provide the following information by Friday, July 8, 2016:

1. Billing Information:

Please submit a billing analysis report containing billing data from the date Cedar Acres instituted the rates set out in Order No. PSC-15-0535-PAA-WU to the present, along with a copy of the meter reading log for that period. Should you have any questions regarding the content of the billing analysis report, please contact Charles Johnson at (850) 413-6676 or chjohnso@psc.state.fl.us.

¹ See, Order No. PSC-15-0535-PAA-WU, p. 23.

2. Meter Replacement Escrow Account Information:

Please file an escrow report indicating the monthly and total amounts collected and allocated to the meter replacement program. The report should be addressed to the Office of the Commission Clerk and filed in the docket file. Should you have any questions regarding the content of the escrow report, please contact Cissy Galloway at (850) 413-6922 or cgallowa@psc.state.fl.us.

Please file all responses electronically no later than **Friday, July 8, 2016** from the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. Please feel free to call me at (850) 413-6234 should you have any questions.

Sincerely,

/s/ Kelley F. Corbari
