CONSUMER COMMENTS

I am very happy with FPL's service and responsiveness to my issues. I have rarely had an issue and when the rare chance, I have a problem, they were quick to address my issues. Additionally when there was an ^{notification} outage scheduled, FPL worked outside of business hours. Regarding the rate increase, I am resigned to request that FPL continue their excellent service and support the rate increase if it is necessary to continue excellent service. I am a ~~happy~~ FPL customer and appreciate their service.
