F.P.L asking increase only to boost up their profit.

No other Company gives 12.5% dividend on the investment guaranteed.

Because Customers don't have choice but to use F.P.L, so Company can make more money as much as they want & awarded bonuses to their officers.

Please deny this request because it is going to impact lots of low income families.

Rate increase is in the Base, before you even switch on. Even if we conserve we still have to pay $15.00 more per month on top of $87.50 we already pay.
