Subject: Document No. 03158-14 in Docket No. 140009

Angela,

Please return Document No. 03158-14 to Duke Energy. It is a June 20, 2014 confidential filing on CD containing Duke's confidential request on portions of Commission's testimony exhibits (testimony of William Coston and Jerry Hallenstein, Exhibit CH-1, *Review of Project Management Internal Controls for Nuclear Plant Uprate and Construction Projects*, Audit Report PA-13-01-001). Document No. 03158-14 is a duplicate of Document No. 04062-14 already filed in Docket No. 140009. Document No. 04062-14 serves to be a replacement to Document No. 03158-14.

Thank you,
Jerry Hallenstein
