This is a perfect example of profit over people.

CONSUMER COMMENTS

I attended one of the hearings & was disgusted by the business people who had been given donations who FPL ASKED to SPEAK in their behalf. They did NOT come on their own accord. Since FPL MADE A NET 1.6 billion LAST YEAR I SEE NO NEED for them to RAISE RATES. This is the Sunshine State we should be RUN by SOLAR. GREEN ENERGY NOT GAS should be the energy of choice. I AM laid off FROM my job every SUMMER + Raising Rates will be a hardship FOR ME. When FPL has better REASONS to RAISE Rates than for FRACKING or REbuilding the Nuclear Plant

OR Fixing the existing ^{FOLD & TAPE - See back for address} fracking plant. That you ALREADY took money FROM customers &

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and/or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or to any member of the media.

Did Nothing. I will ~~consider~~ REconsider until there NO INCREASE, NO REASON
