Subject: FPL Raise 160021-E1

*We have no option of investing in any other power company, we have no say in how many millions of dollars they pay their C-Suite executives, and we have no accurate accounting for the full scale of political contributions they make each year to influence those in powers to keep FPL in its unchallenged, powerful position in this state. Please do not allow this raise to happen. They are already making tremendous profit.
Thank you.*
