Subject: FPL Rate increase Docket # 160021-E1

As A retired couple on a fixed income as many of us are I would ask that you reject the request for a rate increase that primarily adds to the profit for FPL when they already generate a lot of profit. We only come to Florida for the winter but keep a home year round a base rate increase would hit us even when we are not in Florida. I know we snowbirds create a lot of income for Florida and I would hope you would not like to discourage our flocking to Florida.
