Subject: rate increases

My name is Eric Sydney Sorensen. My wife is Linda Christiana Sorensen. We are both age 70. We live at 1039 Beckley Circle, Venice, Florida 34292.

The proposed FPL rate increase is unfair and usurious. FPL is a monopoly. There is No competing company. We have No choice but to use FPL or live without electric service. This rate hike is a gouge. We live on a fixed income. We can't afford such a huge hike in electric expenses.
