Rosemary and Al Tedd, 6222 Falcon Dr., Englewood, 160021-E1. My husband and I are opposed to the rate hike. Our city pension hasn't given us a cost of living raise in 7 years. Social Security isn't keeping up with the rising cost of daily living expenses. We aren't given any options to seek alternative energy sources. We should be able to have companies come into this state and offer solar panel rentals. Enough of the pocket lining, making the rich richer.
