I am requesting that rates not change in the area of Port Charlotte Engelwood etc.
we are retired like most of the residents in this area. We are on a fixed income. The cost of living has increased tremendously and the average person here is finding rising costs In living expenses more difficult.

Work and jobs here also limited. We are a family of three. Our area zip code is 33981.

Address: 15077 Acorn Circle, Port Charlotte, Florida.

I sincerely trust this letter will be accepted in the effort to stop rates being raised by Florida Power and Light.

Sincerely

Louis and Adrienne du Toit
