**Subject:** Voice against FPL Rate Hike. Docket number 160021-E1

My name is Karen Brunault, I live, receive, and am billed by FPL for electricity at 367 Puarotis Lane, Fort Pierce, FL 34982. This is in regards to **the docket number 160021-E1, of which I'm requesting you to vote Down the increase FPL is requesting. I was unable to attend any of the hearings on this matter, but would appreciate my testimony be considered.**

*We have no option of investing in any other power company, we have no say in how many millions of dollars they pay their C-Suite executives, and we have no accurate accounting for the full scale of political contributions they make each year to influence those in powers to keep FPL in its unchallenged, powerful position in this state.*

*Us Seniors got no increase this year and will be getting 0.2 or 2/10 of one percent in our Social Security next year. This is a 23% increase by FPL, along with groceries continually increasing and our medications skyrocketing etc etc. How do you expect us to be able to eat. Please vote no on this.*

*Please let me know by replying to this email, [agawamgal1964@comcast.net](mailto:agawamgal1964@comcast.net) the outcome on this vote.*

*Thank you
