Dear Sir or Madam:

I live at this address and pay for my power in Ft. Myers.

6863 Pentland Way #43
Fr. Myers, FL 33966

To the clerk:

As a 30 year resident of Lee County, I do not see that a rate hike is necessary. The profit motive is against the will of the people, who live with expenses for homes, schools, and living. With so much sunshine, we should be a solar power state and this is what I challenge you to begin installing all over the "Sunshine State".
