Subject: FPL rate hike

What are we on social security to do, no increases in our income but the cost for medicare, health insurance, food keep going up. Now Fpl wants to increase our electric bill.

Good thing we have ice burgs in Florida. Maybe they can put us on a surf board and send us out to sea. Looks like the Golden years turns out to be the rusty years. Please stop allowing your seniors to be attack by government and big business.

Thank you
