**Subject:** FPL Rate Increase

To Whom it may concern

I oppose the Rate Hike intended by FPL. In no way this will benefit their customers and will not bring any better service. It will just increase our already high bills.

*When you're considering this rate increase in order to generate higher profits for FP&L, please keep in mind that those profits come at our expense, and that includes the senior community, many of whom are having a very hard time of it.*

Please see that this increase is denied to the benefit of their customers.
