To whom it may concern:

I object this increase that FPL is requesting.
I'm a retired and my wife is on disability, and our monthly income combined is \$2,300.
We have many illness and between doctors and medicine, we are in the red.

I watch television and see how FPL spends money on advertising. Why??? They do not need to spend this money on advertising, we can't go to another provider. It's ridiculous.

Thank you.
