Good afternoon, Devlin,

Per your request, we have updated the docket title to reflect "2016" rather than "2015." Please note that the initial filing was a bit confusing. I'm not sure if they need to file an updated/amended/corrected, or otherwise revised petition or not.

FLORIDA PUBLIC UTILITIES COMPANY'S
PETITION FOR APPROVAL OF 2015
DEPRECIATION STUDY

As required by Rule 25-7.045(8)(a), Florida Administrative Code, attached is the depreciation study projected through December 31, 2016. In support of this Petition, the Company states as follows:

1. Name and mailing address of the Company:
Sebring Gas Systems, Inc
3515 US Highway 27 South
Sebring, FL 33870-5449

Also, for future reference, all requests for revisions to docket titles can be forwarded to me with a cc: to Hong Wang. I hope you find that information helpful.

Have a great day!

Dorothy

Good Morning Carlotta,

COMMISSION
CLERK

I asked our staff assistant about the procedure for changing a docket title and she informed me to contact you. Docket No. 160174-GU is currently titled "Request for approval of 2015 depreciation study by Sebring Gas Systems, Inc." If possible, staff would like to change the docket's title to "Request for approval of 2016 depreciation study by Sebring Gas Systems, Inc." Thus the only change is bringing the study date forward one year. The amended title would more accurately reflect the material filed in the docket. Please inform if this is not the correct way to go about changing docket titles, thank you very much.
