

QUESTION:

Testimony and Exhibits. Please provide any and all workpapers used to develop all of FPL's testimony and exhibits filed March 15, 2016. For any workpapers created electronically in Excel, please provide those spreadsheets with all formulas and calculations intact.

RESPONSE:

On May 3, 2016, FPL filed a corrected Exhibit KF-4 - 2016 Dismantlement Study in Docket No. 160062-EI. FPL is providing the supporting workpapers for the corrected dismantlement study in this supplemental response to OPC First Request for Production of Documents No. 2.

Additionally, FPL determined that it inadvertently omitted two pages from its response to OPC's First Request for Production of Documents No. 2, regarding workpapers for FPL witness Slattery and is being provided.
