

**QUESTION:**

Regarding Hevert Rebuttal at Exhibit RBH-42 "Recently Authorized ROEs". For each proceeding listed where Witness Hevert submitted testimony regarding ROE and in which the underlying proceeding resulted in an order issued by the subject commission after litigation (i.e., not an order discussing a settlement regarding in whole or in part the Return on Equity), please provide Mr. Hevert's proposed return on equity and the return on equity approved by the Commission.

**RESPONSE:**

Please see Attachment No. 1 for a listing of Mr. Hevert's ROE recommendations and the associated ROEs approved by the Commission. Mr. Hevert has not tracked whether each ordered ROE was the result of a litigated outcome or an approved settlement.
