Commissioner Mariano – To be clear, does this pertain to Ni America, LLC’s application for increase in water rates for Lee County and wastewater rates in Pasco County, Docket #160030-WS? Once I identify the appropriate docket, I will forward Mr. Sherman’s email to the Commission Clerk for that docket.

I am complaining about the fees these companies charge

I have bought and sold several properties they service in the past 2 years taking Derelict Properties and making them attractive and occupied .

The rip off \$499.00 to reinstall the water meter is Criminal and should not be legal

They both also charge \$20.00 per month if there is no service and it has to be paid before the will turn on service for new property owner ( some of these properties have been empty for years )

Also they charge a lot more for services than Pasco ( not fair to citizens )

I will not buy any more properties that they service Because there fees and rates are so absorbent

Thank You
