Subject: Bocilla Utilities, Inc. docket number, 160065-WU.

To whom it may concern,

I am a resident on Don Pedro Island and oppose the increase in the water fees Bocilla Utilities, Inc is proposing.

We are already paying higher than average for water and have had no routine services provided with the exception of the recent notice for chlorination which is a ploy for them to plead their case for an increase in my opinion.

Recently we had to pay to have our fire sprinklers redone and were advised by the company that we did not have enough water pressure for them to work. It was corrected by Bocilla Utilities after we sent them a letter, however they should routinely check for water pressure which they do not as several other homes have had the same issue.

I will also be at the Wed Oct 6th hearing.

Thank you,

Rose Malone
