Subject: Docket 160201 (Peoples Gas Replacement Rider True-up) Item 11, Nov. 1, 2016 Agenda

Sue:

I apologized for the delay in responding. After review, we have no comments to make on this item today. We would like to express our appreciation to the Commission for conducting the audit that we requested and further for asking for and accepting input from the OPC in the development of the audit scope. If you want convey that to the Commission today, we think it would be appropriate.

Thank you

Charles J. Rehwinkel
