Re: Docket No. 160220-WS – Application for original water and wastewater certificates in Sumter County, by South Sumter Utility Company, LLC.

Dear Mr. Friedman:

Staff has reviewed South Sumter Utility Company, LLC's application for original certificate. After reviewing this information we find the application to be deficient. The specific deficiency is identified as:

Deficiency

1. **Income Statement.** Pursuant to Rule 25-30.033(1)(h)2., Florida Administrative Code (F.A.C.), the applicant should provide proof, such as financial statements, of the financial ability of any entities upon which the applicant is relying to provide funding to the Utility. Although the Utility provided a balance sheet for the Holding Company of The Villages, Inc., it did not provide a corresponding income statement. Please provide an income statement for the Holding Company of The Villages, Inc.

We will be unable to proceed with the certification process until the deficiency identified in this letter has been corrected. This correction should be submitted as soon as possible, but no later than November 29, to the following address:
