In Re: Petition for rate increase by Gulf Power Company. Docket No. 160186-EI Dated: November 28, 2016

<u>GULF POWER COMPANY'S OBJECTIONS TO CITIZENS'</u> FIRST SET OF INTERROGATORIES (NOS. 1-34)

Pursuant to Fla. Admin. Code R. 28-106.206, Rule 1.340 of the Florida Rules of Civil Procedure, and the Order Establishing Procedure in this matter, Gulf Power Company ("Gulf Power," "Gulf," or the "Company") hereby serves its objections to Florida Citizens' ("OPC") First Set of Interrogatories (Nos. 1-34) (collectively "the Requests") and states as follows:

GENERAL OBJECTIONS

With respect to any "Definitions" and "Instructions" in OPC's Interrogatories, Gulf objects to any definitions or instructions that are inconsistent with Gulf's discovery obligations under applicable rules. If some question arises as to Gulf's discovery obligations, Gulf will comply with applicable rules and not with any of OPC's definitions that are inconsistent with those rules. Gulf also objects to any request that calls for information that is not within the scope of discovery under the applicable rules and law. Furthermore, Gulf objects to any definition or request that seeks to encompass persons or entities other than Gulf who are not parties to this action and thus are not subject to discovery. Information of affiliated companies, including the Southern Company, that is directly relevant to Gulf's rate request, including information regarding transactions or cost allocations among Gulf and its affiliated companies may be provided, upon request. Otherwise, no responses to the requests will be made on behalf of persons or entities other than Gulf. Gulf objects to any request that calls for Gulf to perform analyses that it has not otherwise performed in support of its case and would not normally perform in the ordinary course of its business because there is no such requirement under the applicable rules and law.

Additionally, Gulf generally objects to OPC's requests to the extent that they call for information protected by the attorney-client privilege, the work product doctrine, the accountantclient privilege, the trade secret privilege, or any other applicable privilege or protection afforded by law. Gulf will provide a privilege log in accordance with the applicable law or as may be agreed to by the parties to the extent, if at all, that any request calls for the production of privileged or protected information.

Further, in certain circumstances, Gulf may determine upon investigation and analysis that information responsive to certain requests to which objections are not otherwise asserted is confidential and proprietary and should be produced only under an appropriate confidentiality agreement and protective order, if at all. By agreeing to provide such information in response to such a request, Gulf is not waiving its right to insist upon appropriate protection of confidentiality by means of a confidentiality agreement, protective order, or the procedures otherwise provided by law or in the Order Establishing Procedure. Gulf hereby asserts its right to require such protection of any and all information that may qualify for protection under the Florida Rules of Civil Procedure, the Order Establishing Procedure, and all other applicable statutes, rules and legal principles.

Gulf generally objects to OPC's interrogatories to the extent that they call for the production of documents on the ground that such a request is beyond the scope of Rule 1.340 of the Florida Rules of Civil Procedure.

SPECIFIC OBJECTIONS

Interrogatory 34: There are two individuals whose primary job in the Southern system is as an officer for Southern Company Services, Inc. who also hold officer positions with limited administrative duties at Gulf Power Company. These individuals are compensated as employees of Southern Company Services, Inc. Gulf neither compensates nor is charged for their services as limited duty officers of the Company. Gulf objects to providing the compensation these individuals receive from Southern Company Services, Inc. for their officer roles with Southern Company Services, Inc. because such information is not relevant to their role as limited duty officers of Gulf Power. That information is not relevant to the relief sought by Gulf in this proceeding and therefore has no bearing on the outcome of Gulf's claim.

Respectfully submitted this 28th day of November, 2016.
