Hi Suzanne,

CLK received the attached letter, and related attached comments, by way of e-filing. We note that Sierra Club is a party of record, however all the attached comments and messages are from individuals in FPL's service territory. Normally, those letters would be placed in Consumer Correspondence. However, since Sierra Club is a party of record, should this letter and 1,677 attached pages be placed in the docket file, Consumer Correspondence, or Parties Correspondence?

Thank you for your help! Give me call if you have any questions or concerns.

Dorothy
