Subject: Utilities, Inc. of Sandalhaven rate increase

Dear sirs:

I wrote to you, dated September 13, 2015, regarding "Docket No. 150102-SU, Utilities, Inc. of Sandalhaven". I was appalled at the request for the proposed rate increase at that time.

I just reviewed our condo expenses for the past year and I am now EXTREMELY UPSET with the increased rates approved for Utilities Inc. of Sandalhaven. Our wastewater cost for the past year were almost twice the cost for fresh water from Charlotte County. The wastewater cost is more than any other utility we use. It is MORE than the electric bill which we use for heat and air conditioning. It is MORE than our phone and internet bill.

We have owned our condo since 1985 and did not rent our unit. We used it 3 or 3 ½ months each year. Over the years, we have considered whether or not it was better to own or rent. With this RIDICULOUS increase, it went WAY OVER THE TOP; we are going to sell our condo and look for another place in the sun.
