Subject: Docket 160074

Dorothy,
Per our conversation, please update the docket title for Docket No. 160074. There is a misspelled word that should be corrected (purchased to purchases). It should read as follows:

Petition for approval of new standard offer rate schedule for energy purchases from cogenerators and renewable facilities and for approval of standard offer contract for purchases of firm capacity and energy, by Florida Public Utilities Company.

Thank you,
Carlotta
